

*One or two outridings per month are scheduled in winter but at least five per week in summer. To consult the current schedule, [click here](#). For seven years, the club has also been teaching. Horse and pony lessons of this riding school make an important place for riding in the countryside. In this coming year, there will even be lessons entirely conducted outside. Experienced riders can rent horses and "double ponies" to ride without coach in the hall or outside. We are developing the hikes, thanks to a 12-person "gite" (hiring home). Add to this some outings with horse-drawn carriage and introduction to driving a carriage... It is really for all tastes at the Ecuries de Brotonne !*
