

Pre-programmed or customized hikes

All our outings are one-day loops with return to the stables each evening.

They are independent of each other and you can therefore register for one or more days of 5-day hikes presented below. Subject to the availability of the guide (cf Planning) and that of the cottage if you are able to host (cf. Availability), it is possible to schedule other dates, tailored, for one or more days, on any of the five routes. Minimum required: 2 people for 5-day hikes, 3 for shorter hikes. Hikers can be accommodated with non-riders (see below). Our hikes can be done on one of our horses or on your personal mount.
